

**UTI Foundation presents:
Why My High School Auto Shop Needs a Make-Over
video contest!**

The Clark County Skills Center Automotive Technology program is a finalist in this video contest. They are trying to get new tools and technology for their school.

First prize is \$25,000 in tools so they need your vote!

Here's how:

Tell all of your friends to:

- go to the **UTI Foundation Facebook** page
- Click on either the **Auto Shop Video** under our profile picture
- Look for the Clark County Skills Center video. You **must** click **Vote** to vote for it. Click **“Like”** to post the action to your **Facebook** wall and share it with **Facebook** friends inviting them to vote, too.
 - Pass it flyer on so that others can vote too.
 - You can also go to the Clark County Skills Center website at www.ccskillscenter.com to vote

Voting starting on 1/11 at 11:00 AM and ends 1/18 at 11:00 AM so be sure to vote today!

Read more about the contest below:

Students and instructors can enter the *Why My High School Auto Shop Needs a Make-Over* Contest to win new shop tools and technology thanks to sponsors like Snap-On®. Schools will be awarded \$25,000, \$10,000, and \$5,000 in shop upgrades for the first place, second place, and third place winners, respectively.

"The Drive To Succeed video competition is all about turning dreams into reality for several deserving students around the country," said Veronica Meury, vice president and executive director, UTI Foundation. "The competition celebrates the passion and creativity that students invest in the videos and encourages a spirit of collaboration. The imagination we see in the videos is only a small representation of the ambition and excellence for which UTI students are known."
